SECTION - THE CHURCH OF JESUS CHRIST

Make A Difference

Dear Sunday School Superintendents of The Church of Jesus Christ –

As the International Missionary Operating Committee (IMOC) Chairman, I was approached about a year ago with an idea that I felt was inspired. The concept and application was really very simple:

If every Sunday School Superintendent across the US asked their Sunday School membership to sponsor a small project (supporting a foreign mission field), we would not only help with the needs in various countries throughout the world, but also create a greater understanding that we are ALL part of a world-wide church and organization!

In the past, the IMOC has received a great deal of direct financial support from the General Ladies Uplift Circle and the Humanitarian Foundation Fund for large projects such as buying land and building churches; but there are also a lot of small project needs where sponsorship is becoming increasingly important due to inflation and rising costs in many countries.

Your Sunday School can **“Make A Difference”** by sponsoring one of these projects! Here’s all you need to do:

1. Share the list below with your Sunday School membership
2. Prayerfully consider identifying one project that YOUR Sun-

Youth Group at Bohol, Philippines

day School would be willing to sponsor *(as the Superintendent, you might ask your members for input or you might select a few projects and ask them to vote on the one they’d like to sponsor)*

3. Share your project with the IMOC coordinator, Sis. Judy Lambert (jjlambert@sbcglobal.net)
4. Consider organizing a special fund-raiser, collection, or outreach to help fund the project you selected *(be sure to engage the children and youth)*
5. Take seven days, seven weeks, or seven months to fund the project *(it doesn’t matter how long it takes)*
6. Send your donations to: Humanitarian Foundation Fund, P.O. Box 956, Mt. Laurel, NJ 08054 *(be sure to make a notation on the check naming your project)*

Once the donation is received and the project is funded, the IMOC will send your Sunday School, photos and information about how your sponsorship was able to **Make A Difference**.

Thank you in advance for your leadership as Sunday School

Superintendents and your willingness to support the International Missionary Operating Committee of The Church of Jesus Christ. May God bless you in your efforts to **Make A Difference**.
